## URE GRADE and PRIVATE FACILITIES SHEET

I hereby certify that the following site is within 6" of final grade and that the septic system (if applicable) is at the original location as determined in the site meeting in order to facilitate the installation of electric facilities per the engineering standards of Union Rural Electric Cooperative. Should the grade be altered once the utilities are installed it is the responsibility of the property owner to contact URE regarding this matter and correct the grade to meet the necessary safety standards. Further, should the location of the septic system be relocated and be in conflict with electric utilities, additional charges may be levied as per our Terms and Conditions for Electric Service.

I further certify that all private underground facilities have been marked to the best of my ability.

Underground facilities marked:

_____ Electric	_____ Communications
_____ Water	_____ Gas
_____ Tile	_____ Septic/Sewer
_____ Other, please specify _____	

I understand that a trip charge may be assessed if URE arrives at the job site and the site is not ready. URE will not be liable for the damage of unmarked member owned facilities.
